

Complete this form on the final day of your Initial or Recurrent course at Simcom by CAE Phoenix. Your signed attestation of 14 CFR 61.57 landing currency allows us to issue a full Phase of WINGS (Ground and Flight credit) through the FAA WINGS Pilot Proficiency Program.

### 1. 14 CFR 61.57 Landing-Currency Attestation

I attest that, as of the compliance date below, I meet the takeoff and landing requirements of § 61.57(a) and/or § 61.57(b), as applicable, and will remain in compliance throughout the course of training in which I am enrolled.

☐ 61.57(a) - General experience

☐ 61.57(b) - Night takeoff and landing experience

**61.57 COMPLIANCE DATE (MM/DD/YYYY)**

Use the **EARLIEST** date within the preceding 90 days on which you can show the required takeoff and landing activity.

### 2. Pilot Information

**PILOT NAME**

**CERTIFICATE NUMBER**

**FAA WINGS EMAIL (AS REGISTERED AT WWW.FAASAFETY.GOV)**

**DATE SIGNED (MM/DD/YYYY)**

**PILOT SIGNATURE**

### 3. Course Information (completed by Simcom by CAE instructor)

**COURSE TITLE**

**COMPLETION DATE (MM/DD/YYYY)**

**INSTRUCTOR NAME**

**INSTRUCTOR INITIALS**

### SUBMIT

After signing, tap the button to email the completed form, or send it manually to [dsann@cae.com](mailto:dsann@cae.com)

[Email to dsann@cae.com](mailto:dsann@cae.com)

For 14 CFR 61.57 purposes, the compliance date is the earliest date within the preceding 90 days on which the required takeoff and landing activity can be shown. WINGS credit is typically issued early the following week after course completion.
